### **Practice Areas**

- Intellectual Property
- Commercial Law
- Agri-tech and New Plant Varieties
- Litigation

### **Professional activities**

Chiara joined Studio Trevisan & Cuonzo in 2025, after having worked for 5 months as a research assistant on the Fair MusE project funded by the EU Horizon Europe Programme. She graduated in 2024 with a double degree in Italian and French law with a dissertation entitled “Digital music and copyright: the revolution of music licensing agreements”. She mainly deals with industrial property litigation, with particular focus on trademarks and unfair competition, as well as non-contentious IP work on the protection of new plant varieties.
